Experience

Backend Developer, Scaleup Ads Agency

December 2024 to Present
Mohakhali , Dhaka

Here, my primary role involves developing APIs with Laravel for frontend and mobile app developers. Additionally, I've contributed to WordPress development by working on custom plugins.

Backend Developer, Unified Core LTD

July 2023 - December 2024
Eskaton , Dhaka

I have experience working on a Human Resource (HR) management system and a SaaS-based eCommerce platform, where I contributed to building scalable features, improving performance, and ensuring a smooth user experience.
